Percentage: 76.00%

Secondary (X), Tamil Nadu State Board 2019
Bharathidasan Matric Higher Secondary School , Kanchipuram

Percentage: 67.00%

TRAININGS / CERTIFICATIONS

Web Developer

Aug 2024 - Present

udemy, Virtual

The **Web Development Bootcamp** on Udemy, taught by Colt Steele, is a comprehensive course designed for beginners. It covers essential web development technologies such as HTML, CSS, JavaScript, Node.js, Express, and MongoDB. The course is hands-on, allowing students to build real projects while learning the fundamentals of front-end and back-end development. It also focuses on tools like Git, GitHub, and APIs, providing a solid foundation for aspiring web developers.

Core Java

Jul 2023 - Dec 2023

Well Skilled Mind, Virtual

Core Java at Well Skilled Mind covers the foundational concepts of Java programming, including Object-Oriented Programming (OOP) principles, data types, control flow, methods, arrays, collections, and exception handling. It provides a strong base in Java.

PORTFOLIO

PROJECTS

Hotel -Room Booking Management

Jan 2024 - May 2024

A **Hotel Room Booking Management System** using PHP and MySQL is a web-based platform to manage hotel reservations. It allows customers to browse rooms, check availability, and book online. Admins can manage rooms, track bookings, and generate reports. The system uses PHP for backend logic and MySQL for database management. It ensures efficient, secure, and user-friendly hotel operations.

SKILLS

- Java
 - English Proficiency (Written)
- C++ Programming
 - HTML
- English Proficiency (Spoken)
 - CSS

ADDITIONAL DETAILS

- I am certified in Core Java from Well Skilled Mind Organization, where I mastered key concepts like OOP, data structures, exception handling, and file I/O. This certification enhanced my ability to develop efficient Java applications
